Private Art Workshops & Field Trips!

Interested in having a field trip or a private art workshop for your group at the Delaplaine? Choose from our variety of activities! To schedule a workshop, contact Lesa Cook at lcook@delaplaine.org.

**Drawing & Painting**

The price for a 3-hour drawing or painting workshop for up to 12 participants is $300 ($25 per participant over the count of 12) with a maximum of 15. All art supplies are included!

- **Portrait Drawing in Charcoal**
  Working from a model, students will focus on learning the planes of the head and capturing a likeness using charcoal techniques such as blending with a brush and drawing with an eraser. Will look at some historical examples in class and the instructor will work individually with students.
  Ages: 12 and older

- **Black and White Self Portrait Painting**
  Using a mirror and black and white acrylic paint, students will create a monochromatic painting, emphasizing tone and gauging work by use of a Munsell scale.
  Ages: 12 and older

- **Basic Skeletal Anatomy**
  Working from a skeleton, skulls, and anatomy software, students will focus on studying the broad areas of anatomy - skull, ribcage, pelvis, arms, legs, by drawing in graphite. Basic proportion will be covered to improve drawing skills in depicting the human form.
  Ages: 12 and older

To schedule a workshop, contact Lesa Cook at lcook@delaplaine.org.
**Sculpture & Ceramics**

The cost and length of sculpture workshops vary. All art supplies are included!

**Swimming Minis**
Create your own miniature float using recycled materials! Join us to examine the public-art piece "Swimming Cities" created by contemporary street-artist, Swoon. Emphasis will be placed on the principle of using repetition and balance to achieve unity. Discover how the act of collecting found objects can be transformed into a work of art!  
Ages: 9-12  
Length: 2 hours  
Price: $200 for up to 12 participants ($15 per participant over the count of 12) with a maximum of 20.

**Tapestry Time**
Join us to learn about the Ghanaian sculptor, El Anatsui! We will create tapestries inspired by traditional Kente cloth. Students will assemble found materials while experimenting with shape, form, pattern, and repetition to create a hanging sculpture.  
Ages: 9-12  
Length: 2 hours  
Price: $200 for up to 12 participants, $15 per participant over the count of 12 with a maximum of 20.

**Handbuilding with Clay**
Learn basic handbuilding techniques such as pinch, coil, and slab and choose a project for your group to complete (recommended for ages 6 and up: slab built mug, slab built tray, pinch pot animals; recommended for ages 9 and up: slab-built lidded box, hanging wall pocket, lidded pinch pots). Use tools and underglaze to apply color and textures to the surface of your project and make it unique! Pieces will be left at The Delaplaine to dry and then fired at a later date. An email notification will be sent to the group organizer once work is ready to pick up.  
Ages: 6 and older  
Length: 2 hours  
Price: $350 for up to 12 participants maximum.

**Gargoyle Relief**
Working in clay, each student will produce a small relief of a gargoyle, focusing on expression and the technical properties of clay. Pieces will be left at The Delaplaine to dry and then fired at a later date. An email notification will be sent to the group organizer once work is ready to pick up.  
Ages: 12 and older  
Length: 3 hours  
Price: $400 for up to 12 participants maximum.

All art supplies are included!

**Dreaming with Durer**
Join us to develop your drawing and printmaking skills! Discover the detailed animals depicted in Albrecht Durer’s artwork. Draw inspiration from this 18th century printmaker by drawing your favorite animal and frame your artwork by creating a printed border!
Ages: 6-12
Length: 2 hours

**Collage with Emma Gale**
Join us to learn about mixed media master, Emma Gale!
Work with a variety of materials to build up layers and to create colorful patterns. Experiment with combining drawing and collage to create a one of a kind masterpiece!
Ages: 6-12
Length: 2 hours

**Mix it Up with Rae Missigman**
Join us to learn about Rae Missigman, a contemporary mixed media artist! Students will try their hand at a variety of materials to discover their own unique style. Let your ideas flow onto the page as you explore your creativity with fiber, paper, watercolor, and stencils!
Ages: 6-12
Length: 2 hours

**Gelliprints**
Students will arrange stencils and flat objects on an inked gelatin plate and pull prints. This is a great project to learn collaboration and basic printmaking techniques that can be done inexpensively with fun results.
Ages: 12 and older
Length: 3 hours

**Drypoint**
Using a scribe, students will etch an image into a plexi-glass plate, looking at some of Rembrandt’s etchings for inspiration and will then ink up their plate and pull a print by running it through a small press.
Ages: 12 and older
Length: 3 hours
